Apprenticeship in Germany

Apprenticeship in Germany

- the legal framework is the „Krankenpflegegesetz“ (the Nursing Act) in force since the year 2004
- after successful accomplishment the trainee receives the official job title called „Gesundheits- und Krankenpfleger“ (registered general nurse)
- the official job title is protected by law
- the basic training period is three years

Apprenticeship in Germany

- the apprenticeship consists of theoretical periods (like here at the Pflegeschulzentrum) and practical job training periods
- the trainees switch between these theoretical and practical times along the apprenticeship

Apprenticeship in Germany

- basic requirements:

physical aptitude/fitness to practice the profession

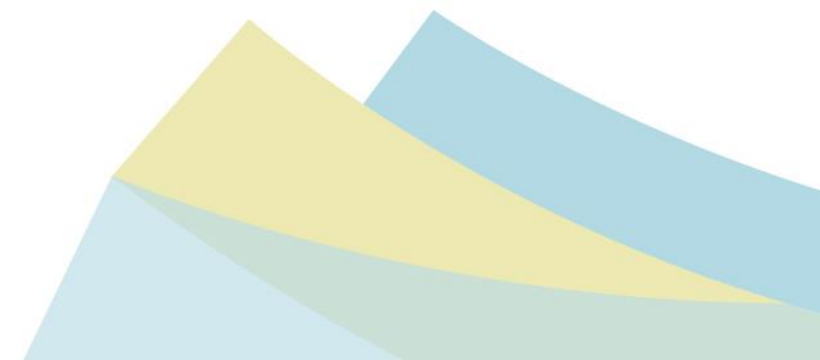

school leaving qualification:
ordinary level („mittlere Reife“)

- or higher/equal qualification

Pflegeschulzentrum Goslar

Duration

Duration

- the basic training period is three years in Germany
- here at the Pflegeschulzentrum Goslar the apprenticeship starts twice a year
(1st of April and the 1st of September)

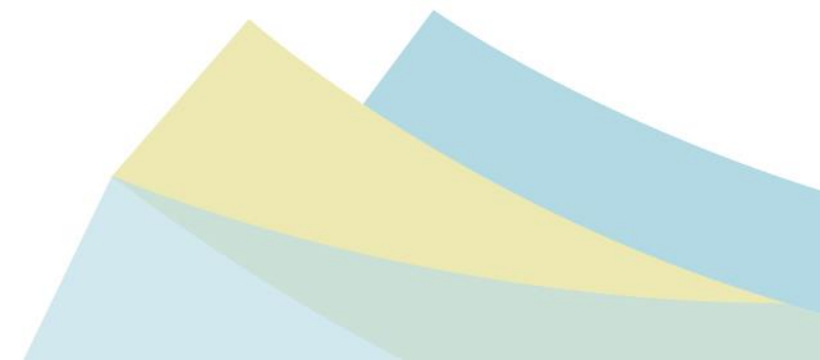

Duration

- during the practical training periods the trainees attend the shiftworking system (early – late – night)
- the theoretical periods (lessons) are from Monday to Friday

Pflegeschulzentrum Goslar
